

Churches in & near *Waverly*

Riverwood's goal is to help people like you find and follow Jesus.

If for some reason Riverwood isn't the right church to help you grow spiritually, here are a few other churches around Waverly (in completely random order!) we recommend:

Grace Baptist Church

www.WaverlyGrace.org

Affiliation: *Southern Baptist*

This welcoming church family takes the Word of God seriously, which permeates their Sunday mornings services, youth group, and children's ministry.

Heritage Global Methodist

Affiliation: *Global Methodist*

Located halfway between Waverly and Shell Rock, the kind people of Heritage host a free community meal every Wednesday night from 5:00–6:00 pm.

Life Church

www.WaverlyLifeChurch.com

Affiliation: *Open Bible*

Life Church welcomes people from all over the Bremer County area. Great music, great kids ministry, but most of all – great people!

Horton Baptist Church

www.hortonbaptist.com

Affiliation: *General Association of Regular Baptists*

If you grew up Baptist or in a country church, you might like this extremely friendly church north of town. They host AWANA on Wednesday nights for kids.

Crosspoint Church

www.crosspointwaverly.com

Affiliation: *Assemblies of God*

Crosspoint started about the same time as Riverwood. They purchased the former Junior High building behind Walgreens – and did an *amazing* job renovating the building!

First Baptist Church

www.fbcwaverly.com

Affiliation: *General Association of Regular Baptists*

If you prefer a slightly more traditional setting with “blended” worship (mix of hymns and choruses), consider FBC for your home church. Great church filled with great people!

Orchard Hill Church

www.orchardhillchurch.org/waverly

Affiliation: *Reformed Church in America (RCA)*

Orchard Hill (out of Cedar Falls) highly values church partnership, which is why they are a big part of the Waverly Community VBS (of which Riverwood is gladly part!).

Peace United Church of Christ

Affiliation: *United Church of Christ*

Peace lost their building in the 2008 flood. Now they use their beautiful new facility to host a scrap metal drive every spring. (Sorry, no website, but you can find them on Facebook!)
